

The FAA Safety Team presents:

Advanced Preflight!

Maintenance related problems are one of the most deadly causes of accidents in general aviation. Pilots can learn to identify maintenance resources, processes and skills to minimize and avoid discrepancies. The advanced preflight concentrates your preflight review of the aircraft's logs and paperwork, plus the physical inspection of the aircraft. Where do you find this paper trail of aircraft history and what do you do with it when you find it? How can you improve your physical inspection of the aircraft to identify potential problems? How do the airlines preflight and what can general aviation pilots learn from their procedures? Find the answers to these questions and many more at this informative safety briefing presented by FAA Safety Team Representatives Ruben Alconero and Mark Schafer! Click on the link below for details and to register today!!!

Event Details

Thu, Sep 24, 2015 - 19:00 EDT

Penn Yan Flying Club

2487 Bath Road

Penn Yan, NY 14527

Contact: Mark Schafer

Select #: EA2364434

Representative Mark Schafer

Directions: From the South: Route 86 West to Exit 38. Take a right off the exit. At second intersection, turn left onto Geneva Street (Route 54 North). Follow 54 North into Penn Yan and just before entering the village turn right onto Bath Road. Drive 1/4 mile up the hill and you will see our club house (the big red barn) on your left hand side at 2487 Bath Road to the left of Penn Yan Aero.

From the Northeast: Follow New York State Thruway West to Geneva, Exit 42. Travel south on Route 14 to Geneva and continue south along the lake. Follow Route 14 to Route 54, which will bring you into the village of Penn Yan. Stay on Route 54 and just before leaving the village (near the park) turn left onto Bath Road. Drive 1/4 mile up the hill and you will see our club house (the big red barn) on your left hand side at 2487 Bath Road to the left of Penn Yan Aero.

From the Northwest: Follow the New York State Thruway East to Canandaigua, Exit 44. Take Route 332 South to Routes 5&20 East. Follow Routes 5&20 about 7 miles until you reach County Route 5 (just past land fill and Reds Auto Shop) and turn right. Follow this road until Hall where continuing straight is Route 14A. Follow Rt 14A South for about 15-20 minutes into Penn Yan. Continue through the Village until you reach the intersection of Routes 14A & 54. Turn right on to Route 54. Stay on Route 54 and just before leaving the village (near the park) turn left onto Bath Road. Drive 1/4 mile up the hill and you will see our club house (the big red barn) on your left hand side at 2487 Bath Road to the left of Penn Yan Aero.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
